Look at the documents on theMedical Product Information (SPLr5) – Wiki page:	3

There are three main communication avenues that are important to this project, please walk through this document to get connected. If any of these do not work for you, please contact Myron Finseth (myron.finseth@medtronic.com) to report an issue.

Thank you...

Join the List Serve: (use the following steps)

1. Click on this link:
<http://www.hl7.org/listservice/index.cfm?action=ls.subscribe>
2. Fill in your Name, Organization, E-mail address and provide a password:

First Name:	<input type="text"/>	*
Last Name:	<input type="text"/>	*
Organization:	<input type="text"/>	*
E-Mail:	<input type="text"/>	*
List Service Password:	<input type="password"/> <small>A password is required when signing up for any lists as a membership password. Make sure you keep this password safe. See for FAQ information</small>	*
Type of Delivery:	<input checked="" type="radio"/> Mail <input type="radio"/> Digest <input type="radio"/> Digest with Attachments	*

3. Scroll down and look for:

Regulated Clinical Research Information Mangement

4. Click this box:

rcrimspl

RCRIM - Structured Product Labels

5. Click this box:

Confirmation:

Yes, I have read and understand the regulations governing proper use c

As a vendor-neutral organization, HL7 prohibits the use of its list servers to announce their specific products, services, and/or events. This policy helps maintain a cooperative development of our standards. HL7 would prefer that conversation which denigrates HL7 will not tolerate the use of any profanity on the lists and failure to comply with server participants to respect this policy and the other list server subscribers. Thank you for using the HL7 list servers.

6. Click this button:

Request Subscriptions

7. You will get an e-mail to confirm the subscription request.

Join the working group teleconference calls:

Dates: Every other Thursdays (starting May 6, 2010) throughout the year

Time: 10:30 am EST

Call Information:

- Phone Number: 770-657-9270
- Participant Passcode: 745896

Look the documents on the Medical Product Information (SPLr5) – Wiki page:

The intent of this wiki page is to have a repository of documents associated with the Medical Product Information (SPLr5) project.

It contains:

Contents [hide]
1 Medical Product Information (SPLr5) - WIKI page
